Art assessment	Practical	5 hours	Thu 1 December Morning

My Advent assessment will test my knowledge on...

During this assessment period, you will spend your 5 hour practical exam working on the final outcome of your component 1 NEA project.

You will continue to follow the time-plan already shared with you in the lead up to the assessment and will have already spent at least 3 hours of class time on this piece prior to the exam.

This body of work (sketchbook plus final piece) needs to show evidence of:

- AO1 Develop ideas through investigations, demonstrating critical understanding of sources.
- AO2 Refine work by exploring ideas, selecting and experimenting with appropriate media, materials, techniques and processes.
- AO3 Record ideas, observations and insights relevant to intentions as work progresses.
- AO4 Present a personal and meaningful response that realises intentions and demonstrates understanding of visual language.

What should I do to revise and prepare for this assessment?

To prepare for this assessment:

1. Ensure that your sketchbook is up to date and that planning 1, planning 2 and planning 3 are completed in the lessons in the weeks leading up to the assessment.
2. Ensure that you bring your sketchbook and any reference images needed with you to the exam.
