Art assessment	Portfolio of practical work	Ongoing	Throughout Advent term

My Advent assessment will test my knowledge on...

The Advent term of year 12 is the skill building period of the A-Level course. As such you have already carried out work in varied media, techniques and subject matter. This will continue throughout the second part of the Advent term, including during the assessment window. You will not sit an exam in this period, instead you will continue working to each fortnightly brief set and will ultimately present the term's work as a portfolio for assessment to be handed in on the deadline of 9th December.

We will be looking for evidence of the following assessment objectives being met:

- Develop ideas through sustained and focused investigations informed by contextual and other sources, demonstrating analytical and critical understanding.
- Explore and select appropriate resources media, materials, techniques and processes, reviewing and refining ideas as work develops.
- Record ideas, observations and insights relevant to intentions, reflecting critically on work and progress.
- Present a personal and meaningful response that realises intentions and, where appropriate, makes connections between visual and other elements.

2. Use homework and study period time effectively to make continued progress with your portfolio of work.
