Year 11 – Advent Mock Examinations 2022

Subject	GCSE Geography		
Title/Topic	**Format**	**Length**	**Date & Time**
Paper 1 – Our Natural World	Multiple choice, short answer questions and case study, extended writing questions	1 hour 15 minutes	Thu 24 November Morning
Paper 2 – People and Place	Multiple choice, short answer questions and case study, extended writing questions	30 minutes	Mon 28 November Morning

My Advent assessment will test my knowledge on…

Paper 1
Global Hazards:

- Understand what happens at constructive and destructive boundaries
- Identify the weather conditions associated with tropic storms
- Case study of a UK weather event (UK drought 2012) causes, impacts and responses

Changing Climate:

- Name and explain the different types of evidence of climate change
- Global impacts of climate change

Distinctive Landscapes:

- Name different geomorphic processes
- Identify different coastal defences
- Case study of a coastal landscape- features, how it is used by humans, how management has impacted the landscape

Sustaining Ecosystems:

- Understand where coral reefs are located
- Define sustainable management
- Show knowledge on how the Arctic or Antarctica is globally managed

Fieldwork:

- Creating a hypothesis/ fieldwork investigation
- Methods used- beach profiles, sediment analysis and longshore drift test
- Presenting data and forming conclusions
- Limitations of fieldwork

Paper 2
Dynamic Development:

- Physical factors that affect development
- Economic measures of development
- Understand the features of bottom up development
- Case study: How is Zambia globally connected?
- Case study: Top down strategies to influence development

What should I do to revise and prepare for this assessment?

To prepare for this assessment:

1. Read through your knowledge organisers. Similar to how you would practice your spellings, **look, cover, check.**
2. Read through KS4 BBC Bitesize and attempt the quiz on 'Development'
3. Read through your exercise books and create revision spider diagrams of key terminology and ideas
4. Use Kerboodle (user and password initialsurname for example, *erichardson* Code ma3) to read over case studies.

What useful websites/resources could I use to help me prepare?

Dynamic Learning theory: https://www.bbc.co.uk/bitesize/guides/zxw2cwx/revision/1

Kerboodle: https://www.kerboodle.com/app
