### This assessment will test my knowledge on...

In A-Level Art, you are currently working on your NEA personal study which will form your portfolio of coursework and is 60% of your final grade. The work completed during this assessment will contribute to this project and all work completed so far in the personal study will contribute to a 'currently working at' grade.

In the 10 hour exam you will be producing a piece of practical work. Prior to the assessment your teacher will explain in detail what you should be producing relevant to the stage of your NEA you are currently at and will give you time to plan. You will be able to select any size, technique and media to fit in with your own ideas.

Your sketchbook work along with this assessment piece will be combined to give a working at grade. This body of work needs to show evidence of:

- **AO1:** Develop ideas through sustained and focused investigations informed by contextual and other sources, demonstrating analytical and critical understanding.
- **AO2:** Explore and select appropriate resources, media, materials, techniques and processes, reviewing and refining ideas as work develops.
- **AO3:** Record ideas, observations and insights relevant to intentions, reflecting critically on work and progress.
- **AO4:** Present a personal and meaningful response that realises intentions and, where appropriate, makes connections between visual and other elements.

### **What should I do to revise and prepare for this assessment?**

To prepare for this assessment:

1. As this is an ongoing assessment, you should continue to work hard and use lesson time productively.
2. Use homework and study period time effectively to make continued progress with your portfolio of work.
3. Listen carefully to advice and act on any feedback that you are given.
4. Revisit work created during this term to ensure everything is complete to the best of your ability.
5. When your teacher has discussed the detail of the task, plan thoroughly and arrive to the assessment days prepared. In advance of the exam, you can carry out preparation such as printing images and stretching paper.
