6. Quantities and units in mechanics
7. Kinematics
8. Forces & Newton's Laws

### **What should I do to revise and prepare for this assessment?**

To prepare for this assessment:

1. Review your classwork from this term
2. Complete and re-attempt the unit tests from integral.
3. Practice questions from your text book.
4. Review your class-based topic assessments completed so far this term.
5. Work through the practice papers provided by your class teacher.

### **What useful websites/resources could I use to help me prepare?**
