### What should I do to revise and prepare for this assessment?

Reading and listening

1. Use your passive vocabulary booklets and vocabulary cards to revise vocabulary from all units, using the look, cover, write, check method to make sure you know what the words and phrases mean in English.
2. Use Language Nut to practise reading and listening exercises.
3. Use Kerboodle to practise reading and listening exercises from the online textbooks.

Writing

1. Revise the vocabulary and phrases from the unit knowledge organisers (1-6) using the look, cover, write, check method to make sure you can write the phrases in Spanish.
2. Revise the 44 fantastic phrases (foundation)/75 fantastic phrases (higher) from the unit knowledge organisers.
3. Use the grammar booklet and verb tables to practise forming and writing verbs in three tenses.
4. Use the PowerPoints on Show My Homework to revise what you need to include in your answers.

Speaking

1. Revise your speaking answers for unit 6. To do this, use the revision techniques below;
  - Read your answer out loud, one sentence at a time. Cover the sentence and practise saying it from memory. Say the next sentence and repeat the process until you can say the whole answer.
  - Write down the first letters of each word and practise saying your answers.
  - Note down a few key words from each answer and practise saying your answer.
  - Record yourself saying your answers and listen back to it.
  - Ask somebody at home to listen to you practising your answers.

- Remember, your preparation gives you a really good example of the type of answer you should be saying, it doesn't matter if you don't answer the questions exactly as you have written them. The goal is for you to be able to answer the questions confidently and accurately and give a detailed answer (about 10 seconds).
