

Subject Geography		
Title/Topic	Format	Length
Paper 1- Our Natural World	Global Hazards Changing Climate Distinctive Landscapes Sustaining Ecosystems Fieldwork	1 hour 15 mins
Paper 2- People and Society	Dynamic Development x2 sections Resource Reliance x 2 sections	1 hour

### In this Advent assessment I will be asked to show I can...

#### Paper 1- Our Natural World

##### Global Hazards

- Understand different plate boundaries
- Explain the causes of earthquakes
- Case study: Typhoon Haiyan- causes, consequences and responses

##### Changing climate

- Historical evidence used to investigate climate change
- Explain Milankovitch cycles
- The enhanced greenhouse effect

##### Distinctive Landscapes

- Key features of glaciated landscapes
- Rose chart skills
- Case study- Explain the coastal landforms along the North Norfolk coastline

##### Sustaining Ecosystems

- Explain the impact of human activity on polar environments
- Case study: Global management of polar regions- Antarctic Treaty

##### Fieldwork

- Mean, median, mode, working out the range
- Geographical Enquiry process- primary data collection and conclusions

## **Paper 2-People and Society**

### **Dynamic Development**

- Define development
- Factors that lead to uneven development
- Zambia and Rostow's model
- Zambia- top down and bottom-up development strategies

### **Resource Reliance**

- The impacts of commercial farming
- Define food security
- Ethical consumerism
- Case study: bottom-up approaches to food security- Urban gardens, Babati Goat Aid (Tanzania)
- Case study: How technology is used to achieve food security

## **What should I do to revise and prepare for this assessment?**

- Use your case study booklets/mind map books to help produce summary paragraphs on the different elements of each case study
- Look/cover/write/check using knowledge organisers
- Use revision guides and books to mind map key concepts/components of the course
- GCSE Pod- practice exam questions

## **What useful websites/resources could I use to help me prepare?**
