### **What should I do to revise and prepare for this examination?**

To prepare for this assessment:

Start with ensuring you know your keywords and the relevant points from the knowledge organisers using either flashcards or look/cover/write/check.

Using your exercise book and the textbook (ask your teacher for your Kerboodle login if yours isn't working), make mindmaps or revision notes on the key themes identified.

Using your homework booklets, practise exam questions in timed conditions.

Listen carefully in the revision lessons and follow all the advice given by your class teacher.

Complete all the revision homework tasks that are set.

Use the revision videos on Satchel.

### **What useful websites/resources could I use to help me prepare?**

There are three revision videos. The links are on Satchel. They are all time stamped so you can select the specific part of the video you need.
