

Subject	Geography	
Title/Topic	Format	Length
Paper 1	<b>Section A- Tectonic Hazards- 4+ 12 marker</b> <b>Section B- Glaciated Landscapes- 6+6+8+20 marker</b>	1hour 30 mins
Paper 2	<b>Section A- Globalisation- 4 +12 marker</b> <b>Section B- 3+6+6+20 maker</b>	1hour 30 mins

## My Advent assessment will test my knowledge on...

### Paper 1- Tectonic activity and hazards

- Math question- standard deviation
- Factors that increase a community's vulnerability to hazards
- The different ways communities prepare for tectonic hazards
- Named examples of locations where preparedness is adequate/inadequate

### Glaciated landscapes

- Knowledge of the processes of movement of valley glaciers.
- Knowledge of entrainment and details of glacial erosion processes.
- Knowledge on scree formation.
- Formation of Knoch and lochan landscapes
- The role of meltwater in depositional fluvio-glacial landforms
- Mass balance and glacial movement

### Paper 2 Globalisation

- Lorenze Curves-income distribution
- Knowledge of how globalization helps development- improved education, technology, outsourcing and improved skill level
- Knowledge of how globalization can create inequality- detached locations, impacts of outsourcing

### Diverse Places

- Factors that help communities embrace cultural diversity
- Factors that can influence the perception of an area
- Desirability- how this varies between stakeholders/groups of people- rural and urban

## What should I do to revise and prepare for this assessment?

To prepare for this assessment:

- Make sure that all PLCs are up to date.
- Use PLCs to formulate summary paragraphs for each appropriate key revision point
- Review past papers to familiarize yourself with the exam format
- Use Book 1 textbook to review key concepts
- Flash cards for named examples

## What useful websites/resources could I use to help me prepare?

[Edexcel A level Geography \(2016\) | Pearson qualifications](#)
