Our mission

At De Lisle we are rooted and grounded in God's love. Each student receives the highest quality Catholic education and knows that they are loved deeply by Jesus Christ.

- All students experience the Love of Jesus Christ every day.
- Everyone is given the Opportunity to grow.
- Everyone Values themselves and each other by 'doing what is right, not what is easy' in the words of our school motto.
- Above all, we will grow actively in our faith by seeking a personal Encounter with Jesus Christ, so that we bear witness to the good news and to the teachings of the Church.
- We all Serve our neighbours, near and far, as missionary disciples.

Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.

Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender in line with the school's uniform policy.
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back).
- Allow all students to style their hair in a way that is appropriate for school yet makes them feel most comfortable and supports their cultural background and religion.
- Allow students to request changes to swimwear for religious reasons.
- Allow students to wear headscarves and other religious clothing.

Limiting the cost of school uniform

The school is mindful that deprivation exists and seeks to limit the amount of school specific uniform items that need to be purchased. We ensure uniform is affordable and accessible in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that must have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost.
- Provides value for money for parents/carers.

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- Limiting any items with distinctive characteristics where possible.
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties.
- Avoiding specific requirements for items students could wear on non-school days, such as coats, bags and shoes.
- Keeping the number of optional branded items to a minimum, so that the school uniform can act as a social leveler.
- Avoiding different uniform requirements for extra-curricular activities.

- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents, of any changes.
- Consulting parents and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.
- Supporting parents by using part of the Pupil Premium allocation to purchase essential items of uniform.

Expectations for school uniform

Students

Wearing school uniform helps to promote the ethos of the school, provides a sense of belonging and identity, and sets an appropriate tone for education. Students are expected to wear the correct uniform at all times with care and pride, including:

- On the school premises.
- Travelling to and from school.
- At out-of-school events or on trips that are organised by the school, or where they are representing the school (if required).

Parents are also expected to contact the senior leadership or pastoral team if they want to request an amendment to the uniform policy in relation to their protected characteristics.

Parents and carers

Parents and carers can support by making sure their child has the correct uniform and PE kit, and that every item is:

- Clean.
- Clearly labelled with the child's name.
- In good condition.

Parents and carers are reminded that:

- Variation of school uniform is often attempted by students who try to reassure their parents that "all students do it". Please ignore such reports unless backed up by an official school letter or email.
- In emergencies, when obliged to send your child to school wearing incorrect clothing, a written note of explanation is necessary.

Parents are also expected to contact the senior leadership or pastoral team if they want to request an amendment to the uniform policy in relation to:

- Their child's protected characteristics.
- The cost of the uniform.

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner.

Disputes about the cost of the school uniform will be:

- Resolved locally.
- Dealt with in accordance with our school's complaints policy.

The school will work closely with parents to arrive at a mutually acceptable outcome.

Clarification on items of uniform and PE kit can be found on the school website:

Staff

Staff will closely monitor students to make sure they are in correct uniform. They will give any students and families breaching the uniform policy the opportunity to comply and will follow up in accordance with the behaviour system if the issue is not resolved.

If a student attends school dressed inappropriately, the school reserves the right to keep the student out of lessons and placed in the BIU until the issue has been rectified and our expectations have been met, including inappropriate hair styles, unnatural hair colours, unnatural coloured braids, inappropriate nails (long, acrylic, false, biab, unnatural colours), and items of jewellery that are not permitted. Excellent uniform is rewarded as part of the Unsung Heroes praise assembly at the end of each half term. Students are liable to sanction after leaving standing assembly and throughout the school day and on their way home if their uniform is not worn correctly.

In cases where it is suspected that financial hardship has resulted in a student not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation and consult with a member of the senior leadership or pastoral team for advice.
