In this Advent assessment I will be asked to show understanding of...

- Atomic structure and the periodic table
- Structure and bonding (2 booklets)

What should I do to revise and prepare for this assessment?

To prepare for this assessment:

1. Complete look, cover, write and check on the knowledge organiser statements from atomic structure & periodic table and the structure and bonding chemistry booklets.
2. Make flash cards of key words and their definitions.
3. Read through the lesson content in the booklets and make notes to help you learn the information.

What useful websites/resources could I use to help me prepare?
