In this Advent assessment I will be asked to show I can…

In A-Level Fine Art, you have started work on your NEA component 1. This will continue throughout the second part of the Advent term, including during the assessment window. You will not sit an exam in this period, instead you will continue working as guided by your teacher and will ultimately present the term's work as a portfolio for assessment.

We will be looking for evidence of the following assessment objectives being met:

- Develop ideas through sustained and focused investigations informed by contextual and other sources, demonstrating analytical and critical understanding.
- Explore and select appropriate resources media, materials, techniques and processes, reviewing and refining ideas as work develops.
- Record ideas, observations and insights relevant to intentions, reflecting critically on work and progress.
- Present a personal and meaningful response that realises intentions and, where appropriate, makes connections between visual and other elements.

What should I do to revise and prepare for this assessment?

- Continue to work hard and apply yourself in your lessons.
- Ensure that you complete every task to the best of your ability.
- Complete homework tasks to the best of your ability and submit on time.
- Listen carefully to advice and act on any feedback that you are given.
- Revisit previous work to see whether you can now make any improvements to it.
