Coasts	Skills questions 2 and 4 mark questions 1 x 5 mark question	35mins	

In this Advent assessment I will be asked to show I can…

- Features of a drainage basin
- Define geomorphic processes- erosion, transportation, deposition.
- Different types of erosion
- Different types of transportation
- A river landform in upland areas
- Longshore drift
- Features of constructive and destructive waves
- Why should the coastline be protected?
- Hard and soft engineering
- Coastal erosional landforms (any of the following)- bay and headlands, caves arches stacks and stumps, wave cut platforms. **Be able to draw, label and explain the formation**

What should I do to revise and prepare for this assessment?

You should prepare by:

- Look/cover/write/check with knowledge organisers
- Mind mapping key concepts and case studies
- Flash cards for key concepts
- Consolidation paragraphs using mind maps
- Audio recording of your own explanations, listen back
- Practise drawing and annotating river and coastal landforms

What useful websites/resources could I use to help me prepare?

Knowledge organisers

Geographical skills - KS3 Geography - BBC Bitesize
